Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

T 177 RM-DS

Number SA6RM

This certificate, issued to FRONTIER AIRLINES, INC.
8250 Smith Road
Denver, Colorado 80207

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See T. C. Data Sheet A16WE)

Original Product — Type Certificate Number: A16WE
Make: Boeing
Model: 737-2C0, 737-2H4, 737-212, 737-214,
737-291, 737-222, 737-247

Description of Type Design Change:

Interior arrangement modification in accordance with FAA stamped Frontier Airlines Drawing No. 4AF-10761 or later FAA approved revision.

NOTE: This Certificate extends the approval under Supplemental Type Certificate No. SA1965WE to include Model 737-212, 737-222, and 737-247.

Limitations and Conditions:

This approval should not be extended to airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the inter-relationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: 9 February 1973

Date reissued:

Date of issuance: 14 February 1973

Date amended: November 20, 1974
March 10, 1976

By direction of the Administrator
